IN THE HOUSE OF REPRESENTATIVES

Thursday, July 27, 2017

Mr. HIMES. Mr. Speaker, I rise today to thank Andrew Connery for his many contributions to the New Democrat Coalition. Next month, Andrew will be leaving the New Democrat Coalition to attend law school.

The New Democrat Coalition, which I have the honor to Chair, is made up of 61 forward-thinking Democrats in the U.S. House of Representatives who are committed to pro-economic growth, pro-innovation, and fiscally responsible policies. New Democrats are a solutions oriented coalition seeking to bridge the gap between left and right by challenging outmoded partisan approaches to governing.

Andrew joined the New Dem staff as the Policy & Member Services Aide in February 2015. Prior to joining the New Dem staff, Andrew was a legislative assistant for former New Democrat Coalition Member Rep. Joe Garcia of Florida. In recognition for his hard work, he was promoted to Senior Policy Advisor in January 2016 and Policy Director in June 2017.

Originally serving former New Democrat Coalition Chair Ron Kind, Andrew has been a trusted advisor to me and many Members of the Coalition. Over his tenure, the New Democrat Coalition has been active on many issues of national importance that have benefitted directly from Andrew's policy knowledge and expertise. These include working on the development of the American Prosperity Agenda, building support for President Obama's trade agenda, developing a tough and smart national security agenda, advocating for a bipartisan deal on tax reform and infrastructure, helping craft a path forward on fixing the Affordable Care Act, and working on several other policy issues through the New Democrat Coalition's task forces. Andrew also served as a key advisor for New Dem Members and their staffs working with them to develop individual policy priorities, counseling on floor votes, and advising on other matters.

Mr. Speaker, on behalf of the Members of the New Democrat Coalition, I thank Andrew.
