

Medicaid and other programs that Granite Staters struggling with substance use disorder rely on, and she has worked effectively to help reduce the stigma that has hurt our efforts to combat this crisis for far too long.

People like Linda perfectly exemplify New Hampshire's all-hands-on-deck spirit, where we roll up our sleeves and work together to strengthen our communities. Linda's dedication to supporting those struggling with substance use disorder, first responders, and treatment providers has strengthened our State's response to the substance misuse crisis, and her advocacy will continue to help us stem and ultimately reverse the tide of this epidemic. I join all Granite Staters in thanking Linda for her service and congratulating her on a well-deserved retirement.●

MESSAGES FROM THE HOUSE

At 10:57 a.m., a message from the House of Representatives, delivered by Mr. Novotny, one of its reading clerks, announced that the House has passed the following bill, in which it requests the concurrence of the Senate:

H.R. 2874. An act to achieve reforms to improve the financial stability of the National Flood Insurance Program, to enhance the development of more accurate estimates of flood risk through new technology and better maps, to increase the role of private markets in the management of flood insurance risks, and to provide for alternative methods to insure against flood peril, and for other purposes.

ENROLLED BILL SIGNED

The President pro tempore (Mr. HATCH) announced that on today, November 15, 2017, he has signed the following enrolled bill, which was previously signed by the Speaker of the House:

H.R. 1679. An act to ensure that the Federal Emergency Management Agency's current efforts to modernize its grant management system includes applicant accessibility and transparency, and for other purposes.

At 5:17 p.m., a message from the House of Representatives, delivered by Mr. Novotny, one of its reading clerks, announced that the House has passed the following bill, in which it requests the concurrence of the Senate:

H.R. 4374. An act to amend the Federal Food, Drug, and Cosmetic Act to authorize additional emergency uses for medical products to reduce deaths and severity of injuries caused by agents of war, and for other purposes.

MEASURES REFERRED

The following bill was read the first and the second times by unanimous consent, and referred as indicated:

H.R. 2874. An act to achieve reforms to improve the financial stability of the National Flood Insurance Program, to enhance the development of more accurate estimates of flood risk through new technology and better maps, to increase the role of private markets in the management of flood insurance risks, and to provide for alternative methods

to insure against flood peril, and for other purposes; to the Committee on Banking, Housing, and Urban Affairs.

PETITIONS AND MEMORIALS

The following petition or memorial was laid before the Senate and was referred or ordered to lie on the table as indicated:

POM-138. A resolution adopted by the Senate of the Commonwealth of Pennsylvania memorializing the importance of grid reliability and fuel-secure baseload energy; to the Committee on Energy and Natural Resources.

SENATE RESOLUTION NO. 227

Whereas, Electric generation power plants in this Commonwealth that participate in the wholesale electric markets strengthen competition and enhance the resilience and reliability of the bulk power and transmission systems and are vital to the public interest; and

Whereas, The nation's and the Commonwealth's economy, environment and security depend on a reliable, resilient electric grid powered by an "all of the above" mix of energy generation resources, including traditional baseload generation that is produced from long-term fuel sources located onsite; and

Whereas, The North American Electric Reliability Corporation, whose mission is to assure the reliability and security of North America's bulk power system, in a May 2017
