

IN RECOGNITION OF THE LOUDOUN COUNTY CHAMBER OF COMMERCE

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Monday, January 29, 2018

Mrs. COMSTOCK. Mr. Speaker, I rise to acknowledge the Loudoun County Chamber of Commerce, which celebrates its 50th anniversary in 2018. This year, at their annual gala, the Chamber, in addition to celebrating this auspicious anniversary, will honor 2017 Board Chair Tina Johnson of JP Events and Consulting, and welcome the new Board Chair Mitch Sproul of Toth Financial. I would also like to make special mention of Tony Howard, the CEO and President of the Loudoun Chamber, for his dedication and hard work throughout his tenure at the helm of the organization. I take this moment to recognize them as individuals as well as the entire Board of Directors and employees.

The Loudoun Chamber was incorporated in 1968. At this time, Loudoun County was primarily an agricultural economy, with more dairy farms than corporations in the region. Since, the Chamber has grown to be the largest Chamber of Commerce in northern Virginia with more than 1,200 members, including a booming service and manufacturing sector. Loudoun County is home to many companies in the Dulles Technology Corridor including Verizon Communications Inc., one of the largest multinational telecommunications companies in the world, as well as AOL and Orbital ATK Inc. Their work is vital in keeping America competitive in the 21st Century economy, and they greatly contribute to American technological discovery. Other major employers in the region include United Airlines and Raytheon Company. This region is also known as "DC's Wine Country" for the many vineyards in the area. The Loudoun Chamber has formed the premier network of business and community leaders in an economically vibrant region. In fact, Loudoun County is the fastest growing county in the country. Membership in the Loudoun Chamber is diverse and far-reaching, including businesses, nonprofit organizations, educational institutions, and public sector partners that range in size.

Loudoun County has been named by media publishers as one of the top communities to start and grow a business. In 2016 Money Magazine named Ashburn the best place to live in Virginia and one of the top 50 places to live in the United States. The Loudoun Chamber has been vital in fostering such a robust business environment that has helped the community achieve these accolades.

The Loudoun Chamber produces more than 100 programs a year that provide Loudoun businesses and their employees with valuable networking, marketing exposure, professional development, and opportunities to connect with peers and political and community leaders. These events have included the Annual Loudoun Small Business Awards, the Valor Awards to recognize public servants, and the SuperHero 5K Run/Walk.

Mr. Speaker, this is an organization which helps the citizens and businesses of Loudoun County thrive. I would ask my fellow Members to join me in congratulating the Loudoun County Chamber of Commerce and wishing it a happy 50th anniversary. I wish this institution continued success in the future.

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Bryce Wilbur, of Indianola, Iowa, for attaining the rank of Eagle Scout.

To earn the Eagle Scout rank, a Boy Scout is obligated to demonstrate how they live out the Scout Spirit in their life, to serve as a leader in their troop, earn a total of 21 merit badges, and, finally, to complete an Eagle Scout Project to benefit the community. For his project, Bryce supervised 25 people in tearing down an old stone retaining wall at Lake Ahquabi State Park in Indianola and replacing it with a new wall using railroad ties and crushed rock. The work ethic Bryce has shown in his Eagle Scout Project and throughout his scouting career speaks volumes about his commitment to serving a cause greater than himself and bettering his community.

Mr. Speaker, the example set by this young man and his supportive family demonstrates the rewards of hard work, dedication, and perseverance. I am proud to represent Bryce and his family in the United States Congress. I ask that my colleagues in the United States House of Representatives join me in congratulating him on obtaining the Eagle Scout ranking, and in wishing him nothing but continued success.
